## MEET LYNDSEY HORN

Hey y'all! My name is Lyndsey (go figure)! I'm a first year graduate student at ECU and I'm from Inez, KY. My major is Communication Disorders and with that I hope to open a private practice clinic one day. Some fun facts about me are that I am a blogger, I love watching movies, I love spending time with friends and family, I'm an old soul, I love spending time outside unless it's 10,000 degrees, and I love my Savior! My favorite book of the Bible is Genesis. There are so many good lessons in there and I think it's so important to learn where we came from! So, that's why I chose this study. Let's learn to look more like Christ together!
